Skills

Pragmatic

English and Spanish

Electronic Technician

Javascript developer

Linux and Open Source

AWS, Google Cloud

Passion for learning

Germán Aliprandi

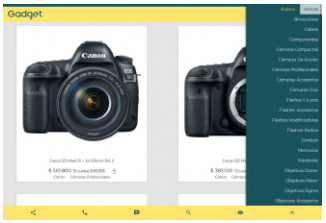
Frontend developer | Electronic technician | Linux fan

I'm from Argentina but I am evaluating the possibility of relocating to other country.

Currently I sell and repair a photography camera, although programming has always been my passion, and I am determined to dedicate myself fully to it.

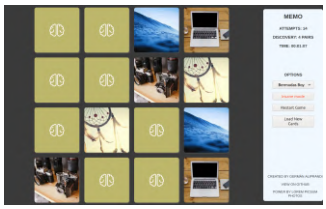
I have been programming websites since 2000 and since then I keep up to date with the latest technologies and tools.

Personal developments



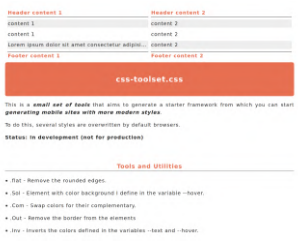
Gadget website
Official site and product catalog of Gadget company.

Tools: Svelte.js, Serverless, GCP.
Site: https://micamara.ga/
Code: https://github.com/galiprandi/



Memo Game
Memo is a nice adaptation of the classic game to test your memory.

Tools: Javascript, CSS, HTML
Site: https://galiprandi.github.io/memo/
Code: https://github.com/galiprandi/



css-toolset.css
A small set of CSS tools to generate mobile sites with modern styles.

Site: https://galiprandi.github.io/css-toolset.css/demo.html
Code: https://github.com/galiprandi/css-toolset.css
