Skills

Pragmatic

English and Spanish

Linux and Open Source

Electronic Technician

Frontend developer

AWS, Google Cloud

Passion for learning

Scrum & Teamwork

Germán Aliprandi

Frontend Developer

I'm from Argentina, I'm web developer with more than 10 years of experience in frontend technologies and with solid knowledge's of Javascript, CSS and some of the modern libraries like React, Svelte and Vue.

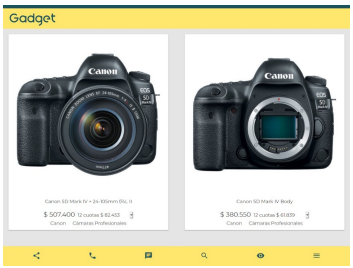
I like to keep me up to date with the latest technologies and apply the modern and the best development practices.

I'm currently in search of a challenging project in witch I can apply what I have learned and learn new things.

My favorite technologies

Linux systems	Javascript Clean Code	Serverless, AWS & GCP	Svelte & React
Bash scripting	PWA & Service Worker	MERN Stack	Modern CSS code

Personal developments



Gadget website

Website and products catalog of Gadget company.
Tools: React, Typescript, CI/CD, Sass.
Website: micamara.ga
Code: github.com/galiprandi/micamara.ga

eventManager

eventManager is a small library (less than 1kb) that help to catch and manage DOM event easily.
Tools: Javascript.
Github: github.com/galiprandi/eventManager

css-toolset

A small but powerful set of CSS tools to generate mobile sites with modern styles.
Tools: CSS.
Website: galiprandi.github.io/css-toolset/
Code: github.com/galiprandi/css-toolset
