I am from Argentina, owner of a small shop of photography equipments, but now and I am evaluating the possibility of relocating to another country, mainly to Australia.

Programming has always been my passion and my principal hobby, so I keep up to date with the latest tools and good frontend development practices. I love create code simple and powerful.

I've been development websites for more than 20 years as a hobby, and now I'm determined to dedicate myself professionally to it, which is what I love make.

### My favorite technologies

- Linux systems
- Javascript Clean Code
- Serverless, AWS & GCP
- Svelte & React
- Bash scripting
- PWA & Service Worker
- MERN Stack
- Modern CSS code
