Germán Aliprandi

I am from Argentina, a web developer with more than 10 years of experience in frontend technologies, and I have solid knowledge's of Javascript, CSS and a lot of libraries.

I like to keep up to date with the latest technologies and apply best development practices.

That is why I am looking for a project and a team in which I can apply everything I have learned.

Some of my current projects

Gadget website - 2010 ~ Present
Website and products catalog of Gadget company.
Tools used: Svelte, Serverless, GCP.
Website: micamara.ga
Code: github.com/galiprandi/micamara.ga

eventManager - 2021, 3 month aprox.
eventManager is a small library (less than 1kb) that help to catch and manage DOM event easily.
Tools used: Javascript.
Github: github.com/galiprandi/eventManager

http://mialbum.ga - 2018 ~ Present
