Skills

Pragmatic

English and Spanish

Electronic Technician

Javascript developer

Linux and Open Source

AWS, Google Cloud

Passion for learning

Germán Aliprandi

Frontend developer | Electronic technician | Linux fan

I'm from Argentina but I am evaluating the possibility of relocating to other country.

Currently I sell and repair a photography camera, although programming has always been my passion, and I am determined to dedicate myself fully to it.

I have been programming websites since 2000 and since then I keep up to date with the latest technologies and tools.
Personal developments

Gadget website

Official site and product catalog of Gadget company.

Tools: Svelte, Serverless, GCP.

Site: micamara.ga

**Code:** github.com/galiprandi/micamara.ga

Memo Game

Memo is a nice adaptation of the classic game to test your memory.

Tools: Javascript, CSS, HTML.

Site: galiprandi.github.io/memo

Code: github.com/galiprandi/memo

css-toolset.css

A small set of CSS tools to generate mobile sites with modern styles.

Tools: CSS.

Site: galiprandi.github.io/css-toolset.css/demo.html

Code: github.com/galiprandi/css-toolset.css
